Startling but True.

People the world over were horrified
on learning of the burning of a Chicago
theater in which nearly six hundred
people lost their lives, yet more than
five times this number or over 3,000
people died from pneumonia during
the same year, with scarcely a passing notice.
Every one of these cases of pneumonia
resulted from a cold and could have
been prevented by the timely use of
Chamberlain's Cough Remedy. A great
many who had every reason to fear
pneumonia have warded it off by the
prompt use of this remedy. The follow-
ing is an instance of this sort: "Too
much cannot be said in favor of Chamber-
lain's Cough Remedy, and especially for
colds and influenza. I know that it
cured my daughter, Laura, of a severe
cold, and I believe saved her life when
she was threatened with pneumonia."
